Product Price List

Fault-finding and health checking tools

		Price	Trainee Price ¹	Description	
	PT2-Basic	ProfiCore Ultra + ProfiTrace 2 SW only	£1,233.00	£1,110.00	ProfiCore Ultra + USB cables + ProfiTrace 2 SW
	PC2-Basic	ProfiCore Ultra + ProfiCaptain 2 SW only	£1,059.00	£954.00	ProfiCore Ultra + USB cables + ProfiCaptain 2 SW
	PT2-Kit-Plus	PROFIBUS Troubleshooting Kit Ultra Plus	£2,189.00	£1,971.00	As PT2-Basic + ScopeWare & Topology Scan SW, SubD tap connector & manual in carry case
	PT2-Kit-Pro	PROFIBUS Troubleshooting Kit Ultra Pro	£2,972.00	£2,675.00	As PT2-Kit-Plus + ProfiCaptain 2 SW & PA Probe Ultra
New	PT-OPC	ProfiCore Ultra + OPC software	£884.00	£796.00	ProfiCore Ultra with license to enable OPC capabilities for ProfiTrace 2
New	PT-OPC-SW	OPC software for ProfiCore Ultra (SW only)	£260.00	£234.00	Software license to enable OPC capabilities for ProfiTrace 2 users
	PCU-Spare	ProfiCore Ultra (HW only)	£624.00	£562.00	ProfiCore Ultra + USB cables. Can only be ordered as replacement/spare unit
	PT2-SW	ProfiTrace 2 (SW only)	£609.00	£549.00	Software license for ProfiTrace 2 only
	PC2-SW	ProfiCaptain 2 (SW only)	£435.00	£392.00	Software license for ProfiCaptain 2 only
	PTS-SW	ScopeWare (SW only)	£696.00	£627.00	Software license for ScopeWare only
	PAPU	PA Probe Ultra	£397.00	£358.00	Interface for ProfiCore Ultra for PA segments. Non-Ex (non explosive) only.
New	PB-USB	Softing PROFIBUS-USB interface	£620.00	£589.00	PROFIBUS interface for FDT tools (FieldCare, PACTWare etc)
	TAP-SubD	TAP Connector for 9-pin sub-D	£92.00	£83.00	Connector to easily connect ProfiCore to DP segments using 9-pin Sub-D connector.
New	TAP-M12	TAP Connector for M12 connectors	£123.00	£111.00	Connector to easily connect ProfiCore to DP segments using 5-pin M12 connectors.
New	ASI-Prog	AS-i hand-held addressing and programming tool	£232.00	£209.00	Bihl+Wiedemann hand held AS-i slave programmer with mains charger
New	ASI-Ana-Kit	AS-i analyser with serial/USB interface	£1,146.00	£1,032.00	Bihl+Wiedemann analyser for AS-i networks, USB-serial interface, cabs & manual in carry case
	PNT-1	PROFINET cable Tester PN-1	£228.00	£206.00	PROFINET Handheld Cable Tester with manual.
New	PN-TAP	ProfiTap, PROFINET monitoring interface	£879.00	£792.00	Essential tool for monitoring PROFINET networks

1 - Trainee means that the person or their company has undergone at least 2 days PROFIBUS training with VTC or MMU within the last year.

Network components

		Price	Description	
	PH-A5	ProfiHub A5	£711.00	Advanced 5-channel spur repeater for DP networks, IP65 rated
	PH-A5-GR	Ground Rail for ProfiHub A5	£40.00	Metal rail for direct grounding of PROFIBUS cable shields
	PH-A5-FC	Set of 5 Flange connectors for ProfiHub A5 (5pcs)	£218.00	5 x M12 flange connectors. Including metal ground plate
	PH-A5-FT	Pre-fitting of flange connectors	£27.00	Saves customer installation time
	PH-A5-VC	ProfiHub A5 for 110V or 230V	£794.00	As PH A5, but with internal AC/DC converter for 110 or 230V operation
New	PH-B5	ProfiHub B5	£689.00	Advanced 5-channel spur repeater for DP networks, IP20 rated and with DB9 connectors
	PH-C5	ProfiHub C5	£1,522.00	Advanced 5-channel spur repeater for DP networks with hybrid PROFIBUS+power connectors (IP65)
	REP-DP	Compact DP repeater	£177.00	Compact Procentec DP repeater
	AT-DP	Active terminator	£108.00	Procentec active terminator with dual redundant power supply and piggy-back (PG) socket
	SK1-nonIS	Simple Non-IS DP-PA coupler	£895.00	Pepper+Fuchs transparent DP-PA coupler for use in non-explosive environments
	SK1-IS	Simple Intrinsically safe DP-PA coupler	£1,165.00	Pepper+Fuchs transparent DP-PA coupler for use in Intrinsically-safe applications
	SK3 Compact	Modular transparent DP-PA coupler	£1,337.00	Pepper+Fuchs high speed, 2-channel, transparent DP-PA modular coupler

Connectors and stripping tools

		Price	Description	
	EPC-90-SC	EPIC PROFIBUS 90° screw connect DP connector	£27.00	Recommended connector when using stranded core cable, with piggy-back (PG)socket
	EPC-135-SC	EPIC PROFIBUS 135° screw connect DP connector	£27.00	Recommended connector when using stranded core cable, with piggy-back (PG)socket
	EPC-180-SC	EPIC PROFIBUS 180° screw connect DP connector	£27.00	Recommended connector when using stranded core cable, with piggy-back (PG)socket
	EPC-90-FC	EPIC PROFIBUS 90° fast connect DP connector	£27.00	Recommended connector when using solid core cable, with piggy-back (PG)socket
	EPC-135-FC	EPIC PROFIBUS 135° fast connect DP connector	£27.00	Recommended connector when using solid core cable, with piggy-back (PG)socket
	EPC-180-FC	EPIC PROFIBUS 180° fast connect DP connector	£27.00	Recommended connector when using solid core cable, with piggy-back (PG)socket
New	GC-01	Bus cable grounding clip (pack of 5)	£14.00	For use when connecting network cables to screw terminals
	PB-ST	PROFIBUS cable Stripping tool	£53.00	Recommended stripping tool for all non-armoured PROFIBUS cables.

Please note:

Packing and next day delivery charge in UK is £20 for orders of value up to £1000, including insurance against loss.

Packing and next day delivery charge in UK is £30 for orders of value over £1000, including insurance against loss.

VAT at the current rate will be added to all orders including delivery.

Prices valid from: 9th August 2010
